

**ABOULKHER**  
& Partners Gen. Trd. LLC.

**Full WPC Doors**

### **Introduction:**

AKT was established in 2012- Dubai. The company which was established with the state-of-the-art technology to serve the building sectors in UAE and GCC.

One of main products is the wooden PVC composite doors. The naturality of the wood and the durability of the composite PVC were combined with the ease of installation and use.

### **Applications & Type:**

WPC doors are composite materials made of wood fiber, thermoplastic, additives, and PVC film top surface. It can be used for any internal door. It is the ideal solution for areas where high moisture & water resistance, and insects' resistance are required.

### **Warranty:**

Our products has a 5 year warranty

### **Characteristics:**

- Wide range of Shapes, dimensions, and colors.
- Rot & Decay- Resistant.
- Antibacterial and Termite resistant.
- Moisture and Water-Resistant.
- Non-flammable.
- Eco-Friendly.
- Require no maintenance.
- Do not corrode.
- no need for paint or re-paint.
- High-performance in high temperature environment.
- Hard & Durable
- Can be drilled, screwed.
